

Business Name: Hickman's egg production facility
Violation Address: W Indianschool rd & 419th Ave
Major East/West: W Indianschool Rd
Major North/South: 419th Ave
On the: SW Corner
City: TONOPAH

Violation Description: This morning when I was opening my business I observed a dust plumb coming from this facility about 100ft in height and about three miles long from east to west. I have reported the nasty smell in the past but this visible dust plumb over residence to the west should be addressed by a dust control violation notice and action to stop it. Thank you, (b) (6)
